This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Excerpt from Secretary s First Report: Harvard College, Class of 1908 To the Members of the Class of 1908: This volume purports to be a compilation of statistics of our Class while in College, and its object is to bring you closer together by putting you in touch with the Class as a whole. Perhaps the record of those three or four years may seem to you now. more tlian it will ten years hence, a story of Old, unhappy, far-off things, And battles long ago. But it is was an epoch-making period for most of us, and I trust you will find this record of it not without some value. That it is absolutely accurate I cannot hope, for there were during those years innumerable far-off things in progress, and countless battles fought, and the memory of them is as vague and intangible as if they had occurred in the time beyond which memory of man runneth not back, when there was no University Daily to record our achievements. For much of the accurate work herein our thanks are due to C. V. Imlay, 08, whose skilful and consistent effort has been of the greatest help to me in preparing this report. It is almost impossible to reach every member of so large a Class. From this ideal, however, we have not departed, and 711 out of our total of 752 have been heard from. The delinquents will confer a great favor by falling into line. That you keep in constant communication with the Secretary is the chief request to be made in this preface - whether by post-card or letter, by newspaper clipping or wedding...
