COOLLIGRAPHY FOR KIDS: A COLORING BOOK

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 164 pages. Dimensions: 11.0in. x 8.5in. x 0.4in. Introduce your kids to a new kind of fun by exploring a variety of words and letters in a unique and expressive way. In Coolligraphy For Kids, Daniel Nie teaches children how to create expressive pictures of various words using his Coolligraphy style. Learning how to make their own Coolligraphy, children can create and color their own special creations, making it a great art activity for all environments, whether at home or in school. These beautiful Coolligraphy letters are featured alongside short language learning poems related to each word, so kids have the added bonus of linking 26 different English words to their respective Chinese translations. In other words, you can teach your kids basic Chinese, one of the most in-demand languages for people to learn today, through these artistic activities. But most importantly, children will be able to use their own creative abilities to create their own Coolligraphy artwork based on their personal interpretations of the specific letters that are in each word. Renowned artist, Daniel Nie, has taken his love of art and teaching children to a higher level. He provides a convenient framework for kids to easily segue through the chapters, and kids and adults alike will appreciate the unique way whereby they can creatively transform these words . . . Coolligraphy style. This item ships from La Vergne, TN. Paperback.
