

## Photographers Guide to the Nikon Coolpix P500: Getting the Most from Nikons Superzoom Digital Camera

By Alexander S. White

White Knight Press. Paperback. Book Condition: New. Paperback. 284 pages. Dimensions: 8.3in. x 5.5in. x 0.9in. Photographers Guide to the Nikon Coolpix P500 is a follow-up to the earlier guides in this series dealing with advanced compact digital cameras, including, most recently, the Panasonic Lumix LX5 and the Canon PowerShot S95. The new book, like the earlier ones, explains all operations, features, menus, and controls of the Coolpix P500 camera in clear language, providing guidance not only about how to accomplish things with the camera, but when and why to use certain features. The book does not assume any specialized knowledge by the reader, but adopts a patient and helpful tone in explaining topics such as autofocus, manual focus, depth of field, aperture priority, shutter priority, HDR (High Dynamic Range) photography, and macro photography. The book also includes a detailed discussion of techniques for using the phenomenal zoom lens of this camera, with a maximum focal length of 810mm, to full advantage. The book contains more than 200 photographs, almost all in full color, which provide illustrations of the controls and menus of the Coolpix P500, and also include examples of the various types of photographs that can be taken using...

### Reviews

*This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
