Brand New Book ***** Print on Demand *****.Excerpt from Fidelity: A Novel She did not know that they did not talk about Ruth Holland any more, that certainly they did not speak of her in the tone of everyday things. And yet, looking at it in any but the Freeport way, it was the most natural thing in the world that Cora should have asked what she did. Mrs. Lawrence had asked if Mr. Holland - he was Ruth s father - was getting any better, and then Cora had turned to him with the inquiry: Do you ever hear from Ruth? It was queer how it arrested them all. He saw Mrs. Lawrence s start and her quick look over to her daughter - now Edith Lawrence Blair, the Edith Lawrence who had been Ruth s dearest friend. It was Edith herself who had most interested him. She had been leaning to the far side of her big chair in order to escape the shaft of light from the porch lamp. But at Cora s question she made a quick turn that brought her directly into the light. It gave her startled face, so suddenly and sharply revealed, an unmasked aspect as she turned from Cora to him. And when he quietly answered: Yes, I had a letter from Ruth this morning, her look of amazement, of sudden feeling, seemed for the instant caught there in the light.
