

The Civil Engineer and Architect s Journal, Vol. 2: Scientific and Railway Gazette, 1839 (Classic Reprint)

Filesize: 1.52 MB

Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.
(Derick Brekke)

THE CIVIL ENGINEER AND ARCHITECT S JOURNAL, VOL. 2: SCIENTIFIC AND RAILWAY GAZETTE, 1839 (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Civil Engineer and Architect s Journal, Vol. 2: Scientific and Railway Gazette, 1839 Another year has been added to our labours, and it is again a pleasant duty to lay before our readers a brief account of the progress of the two professions, to the service of which we are devoted. It will naturally be expected that in a year of severe financial embarrassment, succeeding also to one so fertile in important results as was the last, there must necessarily be a falling off in the amount of what would otherwise have been effected, and a delay in the execution of many works, the completion of which is thereby retarded. Our own exertions, however, we have not suffered to flag under circumstances so dispiriting, but trust that so far as has depended on us, the present volume is worthy of its predecessor, and of the patronage with which our endeavours have been crowned. In considering the general features of architecture, we find that the invasion of the Renaissance style, which we announced last year, has actually occurred, but has singularly been accompanied with, or rather smothered by, a resuscitated taste for Elizabethan external and internal decoration. Considerable attention has also been devoted to the early antiquities or Moresque architecture. Our own ecclesiastical antiquities, we are happy to mention with praise, have been chosen as the special object of enquiry by a Society of Clergymen at Oxford, and thus we are led to hope for an improvement in taste, in a quarter which hitherto has had but too great a part in producing the present degeneracy. A striking and interesting circumstance to every well wisher...
