DANCING IN THE SECULAR/SPIRITUAL MATRIX: WITH COMMENTARY - JOURNEYS IN CONSCIOUSNESS III

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the third volume in a Series entitled Journeys in Consciousness, a compilation of the extensive writings and transcriptions from the life of Charles DeTurk. They are all brought up-to-date and placed in a contemporary context with extensive current commentary. Most of the text is presented as though Charles was sitting down with the reader and sharing ideas over a cup of coffee or a glass of wine. The writing is very conversational and populated with entertaining stories largely taken from Charles own experience. The title is derived from a contemplation of a thought that is gaining dramatically in adherents, namely that rather than being mere finite human beings, whose total existence is measured between birth and death, that we are, in truth, eternal spiritual beings who are presently expressing and experiencing as human beings. The spiritual aspect of that realization, when confronted with the secular reality created largely through our perceptions of this world of appearances, creates an elaborate dance that results in a drive that expresses through the thoughts and actions of humanity as an explosive experience of infinite growth and possibilities. This book begins with a reprinting of an article written in the late 1990 s regarding the impact of the realization of the vastness of the universe. This is followed by a response to the terrorism that was highlighted by the events of 9/11. Next is consideration of the relationships between quantum physics and spirituality. Delving back into the secular, we are confronted by some often disturbing perspectives upon the values we place upon life and death. This is followed by several chapters derived from Sunday morning talks concerning various religious topics like...
