The average family exists only on paper and its average budget is a fiction, invented by statisticians for the convenience of statisticians. Sylvia Porter Unlike the quote provided above, seemingly reflective of general opinion on family budgets today, we will attempt to take a much more positive approach to budgeting, as a family oriented, user-friendly, financial management and planning tool and life-enabler. However, when reflecting on family budgeting and inquiring as to why not more families are actually using it, it becomes self-evident that similar skepticism runs rampant and deep in reality and society, even globally so.
