Primedia E-Launch LLC, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Take a walk of remembrance through the elements of our faith and the declaration of grace Jesus offers. Reflect on God's great plan of mercy that will ultimately set us free from the burdensome weight of legalism, shame and regret. Embrace the call to love people where they are and trust in the One who promised to be our traveling companion as we walk in step with His Spirit. Welcome to a celebration on the Great Divine. I will celebrate another day to experimentally live on this blue and green planet with an eye toward redemption and wonder. I will refuse to be cynical about life or people. Instead, today, I will experience the newness of everything as if it were my first day--like a child's very first taste of ice cream. I will walk, eat, work, play, pray and create as if it were my first day to get to do these things and I will do everything with a deep gratitude and sense of dumbfounded surprise.
