Brand New Book ***** Print on Demand *****.WINNER 2015 National Indie Excellence Awards in the categories of Chick Lit and Contemporary Fiction I fell in love with this gem of a contemporary novel. Whimsical Nature From the very first page, Just Pru .completely pulled me in. I know I ll be thinking of it for a long, long time. Maureen s Book Notes . .A wonderfully told and humorous coming of age story with characters you can t help but fall in love with. Gin s Book Notes When twenty-five-year-old Pru Anderson-braless, pajama-clad, and clutching her cat, Chuck-is rescued from her burning Los Angeles apartment, the thing that scares her most is meeting the neighbors. New people make her hide in the bathroom, counting by sevens, but when her home is destroyed, she must turn strangers into friends . or crawl back to the controlling parents she only recently escaped. What would her idol, Pepper Hathaway, do? That s a no brainer: the detective-slash-supermodel heroine from Pru s favorite TV series would take no prisoners while looking fierce in a tankini and stilettos. So when the chance comes to live with her upstairs neighbor, Ellen, a playwright, Pru goes for it. Swept into Ellen s whirlwind life, Pru begins to build her own, as director s assistant for a new play, muse to brooding actor Blake, and possible love interest to adorably neurotic neighbor, Adam. Only one thing can derail Pru s exhilarating ride. Her parents are in a car headed straight for LA to torpedo her life. When the past that nearly destroyed her comes calling, who will she be: a Prudence or a Pepper? MORE PRAISE FOR JUST PRU . .a laugh out...
