Daniel Gilbert, PhD, bestselling author of *Stumbling on Happiness* Issues of trust come attached to almost every human interaction, yet few people realize how powerfully their ability to determine trustworthiness predicts future success. David DeSteno s cutting-edge research on reading trust cues with humanoid robots has already excited widespread media interest. In *The Truth About Trust*, the renowned psychologist shares his findings and debunks numerous popular beliefs, including Paul Zak s theory that oxytocin is the moral molecule. From education and business to romance and dieting, DeSteno s fascinating, paradigm-shifting book offers new insights and practical takeaways that will forever change how readers understand, communicate, and make decisions in every area of life.
