Reviews

Complete guideline for ebook lovers. Better then never, though i am quite late in start reading this one. Its been printed in an remarkably simple way in fact it is only right after i finished reading this book through which in fact transformed me, alter the way in my opinion.
(Montserrat Runolfsdottir)

NORTH AMERICAN LAKE MONSTERS: STORIES

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. In this striking and bleak, yet luminous debut collection, Nathan Ballingrud, winner of the inaugural Shirley Jackson Award, uses the trappings of the Gothic and the uncanny to investigate a distinctly American landscape: The loneliest and darkest corners of contemporary life. Ballingrud s stories are love stories. They re also monster stories. Sometimes the monsters collected here are vampires or werewolves. Sometimes they wear the faces of parents, lovers, brothers, or ex-wives, and sometimes they wear the faces we see in our mirrors. The people in these storiesex-cons, single parents, unemployed laborers, kids seduced by extremismare stranded by life, driven to desperate acts by love and a longing for connection. Sometimes they re ruined; sometimes redeemed. They are always recognizably, wonderfully, and terrifyingly human. Even at their most monstrous.
