## PRAY OR PREY

Xulon Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The author writes a very pertinent book on the current gun issues of American society and the places where they intersect with Christianity. She raises questions that all members of the body of Christ should consider, showing that the answers are not black and white, but are found in seeking God's will. Readers will learn a ton and will be enriched on their individual journeys with God, for His glory to be shown in His people. Professional Literary Critique Xulon Press The premise of this book is based on handgun laws, self-defense, and Christianity. What do these three have in common? I invite you to take a journey with me and discover how your life can be impacted by making seemingly innocuous decisions. Reading Pray or Prey: Should Christians Carry Guns? will ignite your senses and inspire you to be cognizant of current handgun laws and biblical teachings. I am confident that perusing these pages will not only open the eyes of unknowledgeable readers, but will infiltrate their minds by educating them on what they are about to embark upon that could have a lasting impact on their lives. Beverly Simms was a secretary to the General Manager for one of the largest fire departments in the nation. Ms. Simms received a Congratulatory Letter from the forty-third president of the United States, for her high achievements in the Fire Service and her tenure with the City of Los Angeles. She is a member of a prominent church in the city of Dallas, Texas, where she is involved in the Prison Ministry. Beverly is also an inventor and a singer.
