

## Finding America

By Juli L Idleman

Publishamerica, United States, 2005. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book. Finding America is about the people who occupy six houses on a single street: the widowed mother and her teenage daughter, the married couple struggling to raise three kids on a very fixed income, the newlyweds trying to figure out how to live together. Itas about a single firefighter, the teenage boy with abusive parents, and four college students attempting to find their place in society. You could also say itas about a homeless veteran, a truck driver and a little boy. On the surface, all they have in common is a street in middle-class America. Beyond their differences, however, thereas much more than that. There are the justifications most people have for keeping to themselves, for keeping their distance from certain people and certain situations. There are also moments when those justifications are set aside, if not entirely forgotten, in light of something greater. This story is about those moments.
