Bills fill the mailbox, violence floods the news, and money gets tighter as prices steadily increase. In a world where you are constantly bombarded with the negative, it is often hard to find something to be thankful for in your everyday life. Yet, sometimes, all it takes is that one little glimmer of hope to make even a bad day feel like it was worth all of the headache and the heartbreak, and all it takes is a little inspiration to help you start a journey that could change your life forever. Join April J. Durham on her thirty-day journey of discovery as she looks for reasons to be thankful in everyday life. Read along day-by-day as she tells tales of her ordinary life and the things that she encounters that offer her a chance to reflect on her own thankfulness. Even more, challenge yourself to take a few minutes each day to write down what you are thankful for in your own life, and put the Thankfulness Challenge to work for you! It s never too late to make a change, and adding thankfulness to your everyday life can add a new, positive, outlook that you never realized you were missing. You will never be sorry that you took the chance to experience. Thirty Days of Thankfulness: Finding Reasons to Be Thankful in Everyday Life.
