Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

NO GYM NO PROBLEM - PHYSICAL ACTIVITIES FOR TIGHT SPACES

Human Kinetics. Paperback. Book Condition: New. Paperback. 256 pages. Dimensions: 10.2in. x 8.3in. x 0.8in. Bad weather, lack of facilities, and scheduling conflicts are among the everyday challenges for physical activity providers who are striving to develop consistent daily lesson plans or activities in often-cramped quarters. No Gym No Problem! gives physical educators, recreation leaders, and classroom teachers the tools to deal with and thrive despite issues surrounding limited space. This resource contains nearly 100 activities that may be used individually to enhance existing curriculum or combined to create full-fledged lesson plans that meet specific skills, concepts, or fitness objectives. Whatever the purpose, these activities overcome space limitations, giving children a safe environment in which to learn and grow; use equipment effectively and efficiently in tight spaces; and are specifically designed to minimize prep time and budget demands. Developed by an experienced physical educator and recreation specialist, No Gym No Problem! complies with all of the latest NASPE (2004) national standards to meet the needs of a variety of programs. From warming up and cooling down to working out for fitness and developing sport-specific skills, this book offers both traditional and innovative physical activities: Activities based on popular dances, game shows, board games, action movies, the Olympics, and world cultures-Fitness activities such as push-up hockey and walking the border of the United States-Movement activities such as navigating a classroom highway and putting on a circus-Rhythm activities such as dancing through the decades and keeping beats with lummi sticks-Dribbling and kicking activities such as ball-handling tricks and virtual soccer-Striking and volleying activities such as flipping flapjacks and pencil pool No Gym No Problem! is a must-have reference that physical activity providers will turn to any time they find themselves without access to a gym, rec center, or any other shared facility. This item ships from multiple locations....
