

A New Beginning, or a Revised Past?: Barack Obama s Cairo Speech

Filesize: 8.51 MB

Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Dissident Prof Education Project, Inc., United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.On June 4, 2009, President Barack Obama delivered a much-anticipated speech at Cairo University in Egypt. Coming on the heels of Obama's worldwide Apology Tour, the speech signaled not only how Obama viewed his country, but how he would set himself apart in a new beginning that would change America's course from what he presented as a dangerous and belligerent approach by his predecessor, President George W. Bush. The version of history that Obama presented, however, cast the Middle East and Islam in a more favorable light than the facts would warrant. The President's Cairo Speech carries great historical and political significance because it set out Obama's Middle East policy and his vision of the United States in the international arena. It also presents insights into the character of the president. Like George Washington's Farewell Address and John F. Kennedy's Inauguration Speech, the Cairo Speech will likely be studied as an important document in American history. Obama's promise of a new beginning cannot yet be evaluated critically. Unfolding events - and the outcome of the promises made -- will determine the greatness of the speech. This happens only in retrospect, with the benefit of historical reflection. Unfortunately, the Cairo Speech is already being reprinted in anthologies and textbooks, and is taught to students as a hallmark of rhetorical brilliance and as an unalloyed diplomatic victory. The cult of personality that has sprung up around President Obama is carried into classrooms where educators teaching the speech encourage students to unquestioningly accept the President's calls for action and support. Such directives stand opposite to American traditions and ideals...
