CreateSpace Independent Publishing Platform, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: What if I were to tell you losing weight is easy? What if I said there was a way to eat the things you wanted, love every second of your health regime, and whilst you were busy having fun the pounds would simply drop off? What would that mean to you? If it sounds too good to be true, let me tell you, celebrities have known the secret of using plant medicine for weight loss for decades. Hollywood starlets closely guard the secret behind their red carpet figures. We can now reveal lovelies such as Kate Winslet, Jennifer Aniston and Gwyneth Paltrow all turned to the cleansing effects of plant medicine to trim off those vital excess pounds. Using herbs, essential oils and essences, skilled therapists taught them how to cleanse their systems of the toxicity which was CAUSING their weight problems and get the utmost from their health regimes and exercise. Now you too, can learn how to switch your body into weight loss mode and massively enhance the effects of your own diets and workouts. * Learn why stress could be making you fat * Explore how the key to your weight loss may be all in your head Best of all: * Discover the essential oils which will literally peel those extra ounces away * Completely 100% safe There is even a secret which takes off 2lbs in JUST ONE DAY! But this book is different to any other book in the market at the moment. Not only does it reveal those secrets costing film stars literally thousands of dollars to learn, but it also walks you hand in hand through the factors which may have made you...
