## GED (Mixed media product)

By Christopher Sharpe, Joseph Reddy

Barron's Educational Series Inc., U.S., United States, 2014. Mixed media product. Book Condition: New. 16th edition. 274 x 211 mm. Language: English . Brand New Book. The 2014 GED exam has been revised extensively to reflect the world we live in today. The most noticeable change is that the test is now computer-based--a transition that requires test-takers to have strong typing and computer skills. The new exam covers additional topics in the Math and Science sections and includes blended subject matter within the sections, meaning test-takers will see science questions that require math to produce a numerical answer or social studies questions that require essay-writing skills and so forth. Test-takers will also find all question types used on the new computer format. With such comprehensive changes in store for test-takers, it is fitting for Barron's to offer a book based on the 2014 exam. The new How to Prepare for the GED(r) Test offers test-takers a guided approach to taking and passing the exam by building on the skills they already have. Test-takers will benefit from the book's extensive subject reviews that cover all four of the new test sections: Social Studies, Science, Reasoning through Language Arts, Mathematical Reasoning. The...
