THE ZERO-POINT UNIVERSE

Createspace, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.The Zero-Point Universe explores the idea that all forces must be transmitted point-to-point through the vacuum of space through the zero-point field, not by some magical action at a distance. Each force theory is re-examined to determine how it works with respect to transmission by zero-point energy, and along the way we discover, that this limiting condition leaves...

Reviews

Good e book and useful one. I have got read and that i am confident that i will likely to go through once more again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Angela Blick**

An exceptional publication and also the typeface utilized was fascinating to learn. Better then never, though i am quite late in start reading this one. You will not really feel monotony at at any time of your time (that's what catalogs are for concerning if you ask me).
