Beyond Blame: The Best Way to Learn from Failure (and Success)

By Dave Zwieback

O'Reilly Media, Inc, USA. Paperback. Book Condition: new. BRAND NEW, Beyond Blame: The Best Way to Learn from Failure (and Success), Dave Zwieback, Failure is inevitable and a postmortem analysis, conducted in an open, blameless way, is the best way for IT techs and managers to learn from outages and near-misses. But when the "root cause" is determined to be "human error" (or worse, particular humans), the real causes and conditions are lost. In this insightful book, IT veteran Dave Zwieback shows you an approach for making postmortems blameless, so you can focus instead on addressing areas of fragility within systems and organizations. If you're involved with assessing why something goes wrong on a project or at your company - as a system administrator, developer, team manager, or executive - the concrete steps in this guide will help you find a real solution that works. Recognize and mitigate the effects of stress during outages Learn how to communicate effectively in a charged, high-stakes postmortem conversation Collect the necessary data before the postmortem begins Focus on determining the actual causes and conditions of an outage Learn techniques for writing up a postmortem for either internal or external use.
